This is to confirm that:

I am the owner of the above described firearm/s and ammunitions;
I possess for this travel the required permits/licenses from government authorities at origin, transit and destination;
I am made aware and will comply with the following requirements:

FOR FIREARM/S AND AMMUNITION/S AS CHECKED BAGGAGE

- (a) To notify the check-in agent that I possess firearm and ammunitions to be checked in;
- (b) To ensure that weapon is unloaded and assure this to the check-in agent;
- (c) To ensure that weapon is in a specific locked sturdy container designed for transport and that I alone have the key/combination to the container;
- (d) To ensure that ammunition/s do not exceed 5 Kg, are not incendiary projectiles, and are carried in a separate locked container and that I alone have the combination/key to the container; and,

This application is requested only for the above-described firearm/s and ammunition/s;
The submission of the documents is only for the intention of complying with requirements for carriage on airberlin flight;
This form is null and void when altered or tampered with;
It is my ultimate responsibility to ensure that I have all the necessary documentations for the transportation of the firearm/s and ammunition/s at origin/transit/destination;
I understand that airberlin reserves the final right to deny carriage of the firearm/s and ammunition/s.
